Dear Mr Beck

PRODUCT NAME: SWISSWINNER TYPE 97 BA

DECISION REFERENCE NUMBER: ES2010-0462/0463

I refer to our letter dated 11 March 2010 and the submission of the above model of putter for a ruling. This putter has a "mid-length" T-shaped head which is adjustable for lie.

This matter has been under consideration and I have been asked to advise you that the sample, as submitted, has been examined and it has been determined that it does conform to the Rules of Golf. This is on the condition that the weight screw in the back of the head can only be adjusted using an Allen key.

In any advertisements of the **Swisswinner Type 97 BA** putter, you may state that The R&A has ruled that it does conform to the Rules of Golf. However, there must be no other reference to The R&A and use of The R&A's logo and/or statements such as "R&A Approved" or "R&A Tested" is prohibited.

We are retaining the sample for reference purposes.

Yours sincerely
