Dear Mr Beck

PRODUCT NAME: Back Weight

DECISION REFERENCE NUMBER: ES2011 - 0152

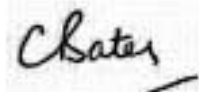

I refer to our letter dated 8 February 2011 and the submission of the above back weight for a ruling. This is a replacement weight for the **Winner Type 32 BA** putter (decision reference ES2010-1496). This back weight has been modified such that it cannot be attached back to front, thus rendering it adjustable into a non-conforming position.

This matter has been under consideration and I have been asked to advise you that the sample weight, as submitted, has been examined in conjunction with the **Winner Type 32 BA** putter and it has been determined that it does conform to the Rules of Golf.

In any advertisements of the **Winner Type 32 BA** with this modified back weight, you may state that The R&A has ruled that it does conform to the Rules of Golf. However, there must be no other reference to The R&A and use of The R&A's logo and/or statements such as "R&A Approved" or "R&A Tested" is prohibited.

We are retaining the sample for reference purposes.

Yours sincerely
